On a bright Easter morning we had 20 signing on and 15 completing. First home were Trevor Bradbury & Steve Bale, closely followed by Paul Elcock who had to re-inflate his front tire a couple of times in the final 1k. Particularly notable was Jason Pitt, who at 14 and a bit is the youngest rider to ever complete the full course.

Allowing for starting weight the revised rankings are:

13	Simon	Notley	25	76	2	39	40	2.101
14	Jason	Pitt	14	87	3	3	0	2.103
15	Chris	McLeod	47	77	3	3	0	2.377

Given that we now have a very young rider who completed I have decided upon a new age adjusted ranking, which is to propose that 25yrs is the optimum age for a senior rider so the age compensation is based upon: $\text{abs}(\text{age}-25)$, which is rather unfortunate if you happen to be 25:

			Age	Weight with bike	hr	min	sec	Min/Yr (under/over 25)
1	Barry	Quick	65	87	3	1	40	4.5
2	Fred	Hale	62	89	3	3	0	4.9
3	Trevor	Bradbury	52	82	2	29	21	5.5
4	Mark	McLeod	49	90	3	3	0	7.6
5	Chris	McLeod	47	77	3	3	0	8.3
6	Steve	Milward	44	81	2	44	15	8.6
7	Arthur	Satterley	42	82	2	42	0	9.5
8	Jason	Reburn	42	89	2	53	30	10.2
9	Graham	Patterson	40	84	2	44	25	11.0
10	Steve	Bale	37	82	2	29	21	12.4
11	Matt	Pritchard	37	97	2	46	0	13.8
12	Jason	Pitt	14	87	3	3	0	16.6
13	Paul	Elcock	31	89	2	29	31	24.9
14	Ben	Oakes	27	91	2	57	20	88.7
